

Dell Technologies Proven Professional exam retirements

Certification exams must at times retire due to evolving technology and changing industry roles. As new products and solutions are introduced, the Dell Technologies Proven Professional program may decide to stop offering learning and certification in a particular track or specialty.

This document lists exam retirements. Reflected are details as of October 11, 2022.

Exam #	Exam Name	Retirement Date
DEA-5TT1	Associate - Networking Exam	December 9, 2022
DEA-2TT3	Cloud Infrastructure and Services Version 3 Exam	October 28, 2022
E20-555	Specialist – Technology Architect, Isilon Solutions and Design Exam	October 6, 2022
DEA-1TT4	Associate - Information Storage and Management Version 4.0	April 29, 2022
DES-3611	Specialist – Technology Architect, Data Protection Exam	March 17, 2022
DES-4331	Specialist – Systems Administrator, OpenManage Enterprise Exam	November 18, 2021
E20-807	Expert - VMAX All Flash and VMAX3 Solutions Exam	June 24, 2021
E10-005	Data Protection and Management Exam	June 17, 2021

DES-6321	Specialist – Implementation Engineer, VxRail Appliance Exam	June 10, 2021
E20-920	Cloud Services Expert Exam for Cloud Architects	June 03, 2021
DEA-64T1	Converged Systems and Hybrid Cloud Exam	April 30, 2021
E20-385	Specialist – Implementation Engineer, Data Domain Exam	April 01, 2021
E20-585	Specialist – Systems Administrator, Data Domain Exam	April 01, 2021
DES-6231	Specialist - Systems Administrator, VxFlex Integrated Rack Exam	January 29, 2021
E20-542	VMAX3 Solutions and Design Specialist Exam for Technology Architects	January 29, 2021
E20-655	Isilon Specialist Exam for Platform Engineers	January 29, 2021
E20-593	Specialist - Implementation Engineer, NetWorker Exam	October 15, 2020
E20-597	Specialist - Systems Administrator, NetWorker Exam	October 15, 2020
DES-4121	Specialist - Implementation Engineer, PowerEdge Exam	September 3, 2020
E22-214	VxFlex OS 2.x Server-Based SAN Exam	August 28, 2020
E20-624	VMAX Family Specialist Exam for Platform Engineers	August 28, 2020
E20-307	Specialist - Implementation Engineer, VMAX All Flash and VMAX3 Solutions Exam	July 31, 2020
E20-507	Specialist - Systems Administrator, VMAX All Flash and VMAX3 Solutions Exam	July 31, 2020
E20-893	NetWorker Expert Exam for Implementation Engineers	July 31, 2020

E20-895	Avamar Expert Exam for Implementation Engineers	July 31, 2020
DEE-1721	Expert - SC Series Exam	July 31, 2020
DEE-2T31	Expert - Systems Administrator, Multi-Cloud Exam	June 30, 2020
DES-6431	Specialist – Systems Administrator, VxRack System SDDC Exam	June 30, 2020
DES-1D11	Specialist, Technology Architect Midrange Storage Solutions Exam	June 4, 2020
DES-1141	Specialist, Platform Engineer VMAX All Flash and VMAX3 Exam	March 31, 2020
DNDNS-200	Dell Networking Professional Exam	November 14, 2019
DES-6121	Specialist, Implementation Engineer Converged Infrastructure Systems Core Exam	November 14, 2019
E05-001	Information Storage and Management Version 3 Exam	October 04, 2019
DCPPE-200	Dell PowerEdge Professional Exam	September 26, 2019
E20-357	Isilon Solutions Specialist Exam for Implementation Engineers	June 20, 2019
E20-559	Specialist, Systems Administrator Isilon Solutions Exam	June 20, 2019
DCAN-100	Dell Networking Associate Exam	April 25, 2019
E20-329	Backup Recovery Solutions Design Exam for Technology Architects	February 1, 2019
E20-591	Backup Recovery Solutions Specialist Exam for Technology Architects	February 1, 2019
E20-657	Isilon Specialist Exam for Technical Support Engineers	February 1, 2019

E20-891	Backup Recovery Solutions Expert Exam for Technology Architects	February 1, 2019
E20-020	Cloud Infrastructure Specialist Exam for Cloud Architects	February 1, 2019
E22-265	ViPR SRM 4.x Storage Resource Management Exam	February 1, 2019
E22-285	VxRail Appliance 4.x Deployment and Implementation Exam	February 1, 2019
E20-007	Data Science and Big Data Analytics Exam	Dec 28, 2018
DES-6331	Specialist – Systems Administrator, Hyper-converged Infrastructure Exam	Dec 6, 2018
DES-6111	Specialist - Technology Architect, Converged Infrastructure Exam	August 1, 2018
E10-002	Cloud Infrastructure and Services Version 2 Exam	July 31, 2018
DCAS-100	Storage Associate Exam	March 29, 2018
DSDSC-200	SC Series Storage Professional Exam	March 29, 2018
DSDPS-200	PS Series Storage Professional Exam	March 29, 2018
DCAPE-100	PowerEdge Associate Exam	March 29, 2018
E20-266	Specialist, Systems Administrator Enterprise Hybrid Cloud Core Exam	February 2, 2018
E20-356	Specialist, Implementation Engineer Enterprise Hybrid Cloud Foundation Exam	February 2, 2018
E20-324	VNX Solutions Design Exam for Technology Architects	February 2, 2018
E20-545	VNX Solutions Specialist Exam for Technology Architects	February 2, 2018

E20-880	VNX Solutions Expert Exam for Technology Architects	February 2, 2018
E20-690	VNX Specialist Exam for Platform Engineers	February 2, 2018
E20-390	VNX Specialist Exam for Implementation Engineers	February 2, 2018
E20-885	VNX Solutions Expert Exam for Implementation Engineers	February 2, 2018
E20-547	Specialist, Systems Administrator VNX Solutions Exam	February 2, 2018
E20-335	Symmetrix Specialist Exam for Implementation Engineers	February 2, 2018
E20-517	Symmetrix Specialist Exam for Systems Administrators	February 2, 2018
E20-814	Symmetrix Expert Exam for Implementation Engineers	February 2, 2018
E20-818	Symmetrix Expert Exam for Systems Administrators	February 2, 2018
E20-351	Storage Area Network (SAN) Implementation Exam	February 2, 2018
E20-532	Specialist, Systems Administrator Storage Area Network (SAN) Exam	February 2, 2018
210-015	VCE Vblock Systems Deployment and Implementation – Virtualization Exam	January 18, 2018
210-020	VCE Vblock Systems Deployment and Implementation – Compute Exam	January 18, 2018
210-025	VCE Vblock Systems Deployment and Implementation – Network Exam	January 18, 2018
210-030	VCE Vblock Systems Deployment and Implementation – Storage Exam	January 18, 2018
200-010	VCE Converged Infrastructure Design Engineer Exam	January 18, 2018

300-010	VCE Converged Infrastructure Master Design Engineer Exam	January 18, 2018
100-003	VCE Converged Infrastructure Solutions Foundations	January 18, 2018
E20-370	Content Addressed Storage (CAS) Specialist Exam for Implementation Engineers	January 3, 2018
E20-670	Centera Specialist Exam for Platform Engineers	January 3, 2018
E20-588	EMC Availability Solutions and Design Specialist Exam for Technology Architects	January 3, 2018

The above chart shows Certification exam retirements from January 2018.
