

TRAINING CREDITS

Make skills transformation real. Purchase your global currency for Dell Technologies Education Services training.

Training Credits are pre-paid Dell Technologies Education Services currency and provide maximum flexibility in selecting and consuming training. Upon purchase, Training Credits are deposited into your training account and made available for general consumption by your employees. This currency can be shared across the organization for up to one year from the date of invoice.

SIMPLIFY THE PROCESS OF BUYING AND CONSUMING TRAINING

Having a thorough training program in place ensures your team has the right skills to successfully manage and maintain your new technology. But how do you stay in sync with your budget cycles and anticipate the types of training your team will need?

Training Credits make it easier for you to manage your budget and implement a plan for the skill sets you need, when you need them. You can purchase Training Credits in large increments or accumulate a balance over a period of time. Training Credits are valid for one year from date of invoice and can be redeemed towards any training course offered by Dell Technologies Education Services.
